

# Three adjacent plots with amazing views of the Aegean

**Address:** Agios DIMITRIOS

**Description:** In the charming village of Agios Dimitrios (North-East Pelion) we have three neighboring plots offering an amazing view of the Aegean Sea, just a few km from Agios Ioannis' beaches. The plots have a gentle slope, east orientation, cover a total area of 10,628m<sup>2</sup> and consist of 3,972,97m<sup>2</sup>, 4,179,87m<sup>2</sup> and 2,475,71m<sup>2</sup>. Car access is easy as they are located on the road to Agios Ioannis. As a whole, the plots are suitable either for the construction of three independent houses or even a hotel unit.
