
Waterfront Villa for sale on Kalifteri beach

Address: afissos

Description: This three-storey seaside villa with an additional independent house is located right on the beach, in popular Afissos village. The property consists of two separate houses. The first one, closer to the road, is a three-storey building with an independent ground floor apartment. Thus, on the ground floor of 56m² we have a bedroom, a living room, a fully equipped kitchen, a bathroom and a store room. On the first floor is the main house with a total habitable space of 240m². Here we have the fully equipped kitchen, the living room with fireplace and the large balcony which offers sea and beach views. On the second floor are the three bedrooms with two bathrooms. On the plot of 1,182m² is an additional house of 56m² with a kitchen, a living room, a bathroom and a bedroom with a large balcony door that offers direct views and access to the beach of Kalifteri. This unique villa is for sale at a price of 950,000 euros.
