

Spectacular sea views, right above the water

Address: Milina

Description: If you own a sailing boat and you want it anchored in front of your house, then this plot with spectacular sea and sunset views might interest you. If you don't own a sailing boat, you can still buy one... This gently sloped, west oriented olive grove measures 1.893m² and is situated on an elevated piece of land some 50 meters from the sea shore. The plot is located 3km south of Milina, close to Agios Andreas, right in front of Valtoudi bay, It is here that 90% of boats in the region are anchored during the summer months.
