

A few steps from the beach

Address: Kastri

Description: One of the last remaining, buildable land plots in the area of Kastri is for sale. This gently sloped olive grove is located just above the beach, offering uninterrupted, spectacular views of the Aegean Sea. The land has an east-orientation, is easily car accessed and has the potential of constructing a home of up to 200m². On the South side, the land is adjacent to the sea; this is an “extra bonus” spot from where to enjoy magnificent views of the crystal clear waters, from way above the sea. The land plot is for sale at the price of €340.000 Euros.
