

The Lifestyle Project

Address: Palaioakastro

Description: Two alluring parcels of (non-buildable) land of a total 865sqm, containing numerous established olive and almond trees, and recently planted citrus trees. Located on a hillside, with commanding unbroken sea views of Pagasitikos gulf. A site that is unaffected by climatic extremes. Westerly oriented, sunset facing. A few minutes walk above an attractive shingle beach. The lower parcel has been landscaped to contain a car parking/camping area. The upper parcel is attractively terraced accommodating a professionally installed ship, a 'Roamer 36 '. The ship is of steel construction and is solar powered, (3x330w panels supplying 1000Ah batteries). It is connected to its own autonomous septic tank. Accommodation consists of aft cabin, galley, saloon, shower /toilet and fore cabin. This is a totally unique off grid opportunity, located on the site of an ancient castle "Palaioakastro" in natural, blissful solitude. Interior fixtures, fittings, soft furnishings and a quantity of wood are in secure storage. This inimitable lifestyle project is incomplete and attending a dreamer who can bring it to a completion.
