

A Glimpse Of Paradise

Address: Chorto

Description: Perched in a fabulously panoramic position on the south-west coast of Pelion, this waterfront villa offers panoramic sea views and magnificent sunsets. Located literally above the beach, the villa's spacious veranda is the ideal spot from where you will enjoy the stunning beauty of nature in complete privacy. It is on this veranda where you will enjoy your breakfast, your sunset aperitif, your dining late into the starry night and of course, your parties with family and friends. The main living area is on the ground floor, where we have the generously spaced living and dining room, the open plan kitchen, two bedrooms and one utility/bathroom. The spacious veranda with the "million dollar views" is on this level, conveniently located just outside the kitchen. A rustic wooden staircase leads up from the entrance foyer to the first floor with a generous landing space. Here we find two more bedrooms, two bathrooms and two tiny balconies. Heating system: An in-built, very effective type of wood-burning stove as well as electrical radiators in some bedrooms. The villa is car accessed with a parking area for two cars. The villa is located on the south-west coast of Pelion, in the village of Horton; a charming little hamlet with a cultural heritage. Milina, a bigger waterfront village with lots of tavernas, cafes and shops is only 2,5km further south. Argalasti, the capital village of South Pelion with a supermarket, two pharmacies, a health centre, etc. is 6km away.
