

The little farm

Address:

Description: On the outskirts of Argalasti, some 5 min drive from the village centre, is this lovely little farm. The single storey house of 70 sqm consists of a small kitchen, the living room with a fireplace, one bedroom, the bathroom, a small storage room and a large terrace with a charming views of the surrounding hills. The house is located on a farm land of 7,545 sqm with olive trees, grape vines and a variety of fruit trees; it has a south orientation and its own source of drinking water. If you like to have your own vegetable garden, you are in the right place. The house is not connected to electricity and requires minor maintenance work. The property is suitable for those looking for tranquility and natural surroundings.
