

# Aegean Sea views from the neighborhood of Zagora

**Address:** Zagora

**Description:** This two-story, stone house offering uninterrupted views of the Aegean, is looking for its new owners. The house consists of a single room on the ground floor that is currently used as storage and two rooms on the first floor. Each floor is 34sqm (externally) while the plot with an Eastern orientation measures 335sqm. The house needs a complete renovation, therefore the new owners should be creative, have passion, appetite for work and good taste. The house is located about 100m from the main road of Zagora and its access is via a traditional cobblestone path.

**Listing type:** For sale

**Price:** 40.000,00 EUR

**Property type:** Detached
